§ 50-14-1. Meetings of departments, agencies, boards, etc., to be..., GA ST § 50-14-1

(i) The gathering of a quorum of the members of the governing body of an agency at which any official business, policy, or public matter of the agency is formulated, presented, discussed, or voted upon; or

(ii) The gathering of a quorum of any committee of the members of the governing body of an agency or a quorum of any committee created by the governing body at which any official business, policy, or public matter of the committee is formulated, presented, discussed, or voted upon.

(B) "Meeting" shall not include:

(i) The gathering of a quorum of the members of a governing body or committee for the purpose of making inspections of physical facilities or property under the jurisdiction of such agency at which no other official business of the agency is to be discussed or official action is to be taken;

(b)(1) Except as otherwise provided by law, all meetings shall be open to the public. All votes at any meeting shall be taken in public after due notice of the meeting and compliance with the posting and agenda requirements of this chapter.

(2) Any resolution, rule, regulation, ordinance, or other official action of an agency adopted, taken, or made at a meeting which is not open to the public as required by this chapter shall not be binding. Any action contesting a resolution, rule,

§ 50-14-1. Meetings of departments, agencies, boards, etc., to be..., GA ST § 50-14-1

regulation, ordinance, or other formal action of an agency based on an alleged violation of this provision shall be commenced within 90 days of the date such contested action was taken or, if the meeting was held in a manner not permitted by law, within 90 days from the date the party alleging the violation knew or should have known about the alleged violation so long as such date is not more than six months after the date the contested action was taken.

(3) Notwithstanding the provisions of paragraph (2) of this subsection, any action under this chapter contesting a zoning decision of a local governing authority shall be commenced within the time allowed by law for appeal of such zoning decision.

(c) The public at all times shall be afforded access to meetings declared open to the public pursuant to subsection (b) of this Code section. Visual and sound recording during open meetings shall be permitted.

(d)(1) Every agency subject to this chapter shall prescribe the time, place, and dates of regular meetings of the agency. Such information shall be available to the general public and a notice containing such information shall be posted at least one week in advance and maintained in a conspicuous place available to the public at the regular place of an agency or committee meeting subject to this chapter as well as on the agency's website, if any. Meetings shall be held in accordance with a regular schedule, but nothing in this subsection shall preclude an agency from canceling or postponing any regularly scheduled meeting.

(2) For any meeting, other than a regularly scheduled meeting of the agency for which notice has already been provided pursuant to this chapter, written or oral notice shall be given at least 24 hours in advance of the meeting to the legal organ in which notices of sheriff's sales are published in the county where regular meetings are held or at the option of the agency to a newspaper having a general circulation in such county at least equal to that of the legal organ; provided, however, that, in counties where the legal organ is published less often than four times weekly, sufficient notice shall be the posting of a written notice for at least 24 hours at the place of regular meetings and, upon written request from any local broadcast or print media outlet whose place of business and physical facilities are located in the county, notice by telephone, facsimile, or e-mail to that requesting media outlet at least 24 hours in advance of the called meeting. Whenever notice is given to a legal organ or other newspaper, that publication shall immediately or as soon as practicable make the information available upon inquiry to any member of the public. Upon written request from any local broadcast or print media outlet, a copy of the meeting's agenda shall be provided by facsimile, e-mail, or mail through a self-addressed, stamped envelope provided by the requestor.

(3) When special circumstances occur and are so declared by an agency, that agency may hold a meeting with less than 24 hours' notice upon giving such notice of the meeting and subjects expected to be considered at the meeting as is reasonable under the circumstances, including notice to the county legal organ or a newspaper having a general circulation in the county at least equal to that of the legal organ, in which event the reason for holding the meeting within 24 hours and the nature of the notice shall be recorded in the minutes. Such reasonable notice shall also include, upon written request within the previous calendar year from any local broadcast or print media outlet whose place of business and physical facilities are located in the county, notice by telephone, facsimile, or e-mail to that requesting media outlet.

(e)(1) Prior to any meeting, the agency or committee holding such meeting shall make available an agenda of all matters expected to come before the agency or committee at such meeting. The agenda shall be available upon request and shall be posted at the meeting site as far in advance of the meeting as reasonably possible, but shall not be required to be available more than two weeks prior to the meeting and shall be posted, at a minimum, at some time during the two-week period immediately prior to

the meeting. Failure to include on the agenda an item which becomes necessary to address during the course of a meeting shall not preclude considering and acting upon such item.

(2)(A) A summary of the subjects acted on and those members present at a meeting of any agency shall be written and made available to the public for inspection within two business days of the adjournment of a meeting.

(B) The regular minutes of a meeting subject to this chapter shall be promptly recorded and such records shall be open to public inspection once approved as official by the agency or its committee, but in no case later than immediately following its next regular meeting; provided, however, that nothing contained in this chapter shall prohibit the earlier release of minutes, whether approved by the agency or not. Such minutes shall, at a minimum, include the names of the members present at the meeting, a description of each motion or other proposal made, the identity of the persons making and seconding the motion or other proposal, and a record of all votes. The name of each person voting for or against a proposal shall be recorded. It shall be presumed that the action taken was approved by each person in attendance unless the minutes reflect the name of the persons voting against the proposal or abstaining.

(C) Minutes of executive sessions shall also be recorded but shall not be open to the public. Such minutes shall specify each issue discussed in executive session by the agency or committee. In the case of executive sessions where matters subject to the attorney-client privilege are discussed, the fact that an attorney-client discussion occurred and its subject shall be identified, but the substance of the discussion need not be recorded and shall not be identified in the minutes. Such minutes shall be kept and preserved for in camera inspection by an appropriate court should a dispute arise as to the propriety of any executive session.

(f) An agency with state-wide jurisdiction or a committee of such agency shall be authorized to conduct meetings by teleconference; provided, however, that any such meeting is conducted in compliance with this chapter. A local workforce development board formed pursuant to the federal Workforce Innovation and Opportunity Act, P.L. 113-128, as now in effect or as hereafter amended, or its committees or local elected officials when performing duties relative to such board, shall qualify as an agency under this subsection.

(g)(1) As used in this paragraph, emergency conditions shall include declarations of federal, state, or local states of emergency; provided, however, that no such declaration shall be necessary for an agency as defined by subparagraph (A) of paragraph (1) of subsection (a) of this Code section to find that emergency conditions exist thereby necessitating meeting by teleconference.

(2) Under circumstances necessitated by emergency conditions involving public safety or the preservation of property or public services, agencies or committees thereof not otherwise permitted by subsection (f) of this Code section to conduct meetings by teleconference may meet by means of teleconference so long as the notice required by this chapter is provided and means are afforded for the public to have simultaneous access to the teleconference meeting. The participation by teleconference of members of agencies or committees means full participation in the same manner as if such members were physically present. In the event such teleconference meeting is a public hearing, members of the public must be afforded the means to participate fully in the same manner as if such members of the public were physically present.

(3) On any other occasion of the meeting of an agency or committee thereof, and so long as a quorum is present in person, a member may participate by teleconference if necessary due to reasons of health or absence from the jurisdiction so long as the

§ 50-14-1. Meetings of departments, agencies, boards, etc., to be..., GA ST § 50-14-1

other requirements of this chapter are met. Absent emergency conditions or the written opinion of a physician or other health professional that reasons of health prevent a member's physical presence, no member shall participate by teleconference pursuant to this subsection more than twice in one calendar year.

~~(1)(1) The following bodies and committees thereof shall be authorized to conduct meetings by teleconference, provided that any such meeting shall be considered to be conducted in compliance with this chapter so long as the notice required by this chapter is provided and if fewer than a quorum of the members of a body or committee thereof are physically present, means have been afforded for the public to have simultaneous access to the teleconference meeting:~~

~~(A) Development authorities created pursuant to or authorized by the provisions of Chapter 42 or Chapter 62 of Title 36, by or pursuant to Article LX, Section VI, Paragraph III of the Georgia Constitution, or by or pursuant to any amendment to the Constitution continued pursuant to the authority of Article XI, Section I, Paragraph IV of the Constitution;~~

~~(D) The board of trustees or other governing body of any large retirement system as such terms is defined in subsection (a) of Code Section 47-20-84;~~

~~(2) The participation by teleconference of members of such bodies or committees thereof means full participation in the same manner as if such members were physically present. In the event such teleconference meeting is a public hearing, and if fewer than a quorum of the members of a body or committee thereof are physically present, then members of the public shall be afforded the means to participate fully in the same manner as if such members of the public were physically present.~~
