2. Approval of Minutes

A 09-17-2024 Meeting Minutes

*On motion of Jimmie Smith, seconded by Michael Ryan, and passed unanimously, the minutes from September 20, 2024, were approved.*

Board members discussed the enhancements at Rosa Parks Park. The Board feels it would be beneficial if PSRB is made aware of such enhancements to public areas in the future to allow the Board to be knowledgeable as well as allow the Board to discuss any safety measures that should be included. It was mentioned that quarterly updates would be helpful.

The Pedestrian Safety Outreach and Education (10/04/2024) & Pedestrian Safety Awareness Walk (10/14/2024) Events were both very successful.

Michael Ryan suggested that the Board invite Craig Goss from MBC Transit Authority to one of the future meetings to discuss bus route changes along with relocation of bus shelters. Michael Ryan stated that there are a number of bus shelters that have been moved, and he would like to know the new locations of the bus shelters and why they were moved.

Jimmie Smith reported on events sponsored by the MBC Health Department in the month of November. He has invited members of PSRB to attend and will distribute detailed event information.

3. Field Trip (East Macon Loop Project/Gray Highway Improvements)

The Pedestrian Safety Review Board drove the East Macon Loop Project/Gray Highway route to get a visual of the project.

4. Adjournment

The meeting was adjourned at 11:27 a.m.

Respectfully Submitted,

---
