8. Discussion of the Pension Death Benefits

Michael McNeill, County Attorney, presented the proposal to pay a death benefit of \$50,000 to all employees who are vested, leave and die before they are eligible to receive their retirement benefits. Although there is some belief that at one time there was a practice that anyone who was vested, left and died before receiving their retirement benefits would receive five years of retirement benefits, no documentation has been located. Therefore, Mr. McNeill advised that to do so would be considered a gratuity and illegal. Mr. McNeill continued that currently there are about

110 people vested county plan members and 463 who would be eligible for this benefit. Mr. McNeill continued that the Mayor has agreed to move forward with the \$50,000 death benefit for employees who are vested, left employment and die before receiving their retirement benefits. This will cost the Pension Plan approximately \$250 per person for a total of \$115,000 a year which will be paid by the pension fund and funded through increased annual contributions from Macon-Bibb County.

9. Executive Session

Mr. McNeill stated there was no need for an Executive Session.

10. The next meeting will be on March 4, 2025.

11. Adjournment

There being no further business, the meeting was adjourned at 2:30 p.m.

Respectively Submitted,

Janice S. Ross, CMC
Clerk of Macon-Bibb County Commission
