B Examine new ways to promote the mission of the Complete Streets

The Board discussed working with the Macon-Bibb County Communications Officer to help with advertising the Complete Streets Committee policy in efforts to educate citizens on how to submit requests.

The Complete Streets Committee received its first Citizen's request during the meeting from Mr. Dave Dickey III. Mr. Dickey requested signage informing drivers to stop for pedestrians in a crosswalk at Cotton and Mulberry.

On motion of Mike Greenwald, seconded by Rachel Umana, and passed unanimously, the Board approved installing signage informing drivers to stop for pedestrians in a crosswalk at Cotton and Mulberry to be completed by our Engineering Department due to the low cost of performing the work.

5. Adjournment

The meeting was adjourned at 10:00 a.m.

Respectfully Submitted,

Sheila F. Griggs
Deputy Clerk of Commission
